

Grizzl-E Reseller Program

effective October 3, 2023

TERMS AND CONDITIONS

Dear partner,

1. To become a [reseller](#), it is mandatory to apply on www.grizzl-e.com, fill out the respective form, and receive confirmation of successful registration. The approval of the registration is the sole right of United Chargers Inc. The application can be declined without any explanation. Please contact us if you have any questions regarding application processing at uc@unitedchargers.com.
2. All order for quantity 5 and more unit must be submitted to uc@unitedchargers.com
3. All orders must be paid for before shipment, FOB Richmond Hill, EXW.
4. Only direct wire transfers will be accepted as a means of payment.
5. Price is subject to change without any prior notification and is valid at the time of purchase only. All sales are final.
6. We do not approve and/or support resellers' sales on any public e-platform, including but not limited to Amazon, BestBuy, Walmart, etc.. We encourage resellers to use the following channels, including but not limited to their own websites, networking and advertisements.
7. The minimum advertised price (MAP) is equal to the MRSP. The Reseller is not allowed to advertise and/or sell below it. MRSP is specified on grizzl-e.com. Click a respective store for more details: [Canada](#), [USA](#).
8. The Reseller's website should follow the guidelines for the website of United Chargers. United Chargers provides product pictures, electronic brochures, and non-exclusive rights to use its logos and trademarks.
